**nia** has been delivering services for women, girls and children who have experienced sexual and domestic violence since 1975.

The organisation has three main aims

- **to provide services for women, girls and children who have experienced men's violence**
- **to contribute to ending male violence against women and girls**
- **to inform and influence policy and public awareness**

**nia** is run for women and children by women, providing services developed in consultation with women who have experienced men's violence, and from a proudly feminist perspective.

# The LEA Project (London Exiting Advocacy) works with women in prostitution anywhere in London.

It provides a  
non-judgemental  
service giving  
advocacy and  
support in exiting.

## We provide sessions on:

- one-to-one exit planning
- accessing a range of workshops
- welfare benefits and housing advice
- education, training, volunteering and employment advice
- accessing health services
- accessing drug and alcohol services

The LEA Project supports women to access a range of opportunities and runs a night time outreach service.

## Accessing the service

Open to women over the age of 18, working, living or in prostitution in London.

Women can contact us themselves, or be referred to us by an agency.

If you want to talk to someone about exiting, you can call us on **020 7683 1270** or email us at [lea@niaendingviolence.org.uk](mailto:lea@niaendingviolence.org.uk)
